Product Data Sheet

IJ146 - Premium Matte Paper 250gsm

Product	Description	A heavyweight, bright white coated paper with a smooth, non-reflective matte finish, delivering vibrant colours, rich blacks and crisp image detail. Its substantial 250gsm weight gives prints a quality feel, making it ideal for photographic prints, posters, presentations, greeting cards, menus and indoor display graphics. The instant-drying coating supports high ink coverage for bold, impactful results, while excellent opacity minimises show-through. Water resistant and suitable for hot and cold lamination, Premium Matte Paper 250gsm is compatible with aqueous dye, pigment and latex inks.
