

TM210 – Power Semi Matte Paper 210gsm

Product	Description	A 210gsm Semi-matte, bright white paper with a multi-layer coating that provides rapid drying and a high degree of image protection. Designed for high production printing, the smooth, low sheen anti-reflective coating is ideal for indoor graphics and its water-resistant properties make it ideal for outdoor billboards too. This paper offers a wide colour gamut, giving an outstanding photographic print result.
	Compatibility	Eco-Solvent, Latex, Resin and UV Curable inks
Application	Indoor	Outdoor and Indoor Posters, Billboards
	Outdoor	Suitable for use outdoors without lamination
	Lamination	Lamination is recommended if exposed to severe weather conditions or to reduce ink fading over longer time period
