

TM218 – Natural White Semi Matte Art Paper 270gsm

Product	Description	A 270gsm Semi matte heavyweight paper with excellent colour reproduction and instant-drying performance. Its smooth, highly consistent surface is ideal for detailed art-work, photography and premium graphics, while the understated semi-matt finish provides an attractive low-sheen presentation. With a thickness of 340 microns and opacity greater than 98%, the paper has a reassuringly substantial feel and helps minimise show-through. Its subtle natural white base gives fine-art reproductions and photographic images a softer, more natural appearance than intensely bright-white media. Acid free.
	Compatibility	Eco-Solvent, Latex, Resin and UV Curable inks
	Environmental	Acid free, PVC free.
Application	Indoor	Suitable for fine art reproductions, photo books, indoor graphics, retail and POS, exhibition and gallery displays.
	Outdoor	Not recommended
	Lamination	Lamination is recommended if exposed to severe weather conditions or to reduce ink fading over longer time period
Structure	Base material	Inkjet receptive coating for solvent and latex inks.
	Surface	Semi Matte finish
Technical	Weight	270 gsm
	Thickness	340 microns
	Gloss (60°)	n/a
	Opacity	98%
	Optical Brighteners	Yes
	CIE Whiteness (D65)	76
	White Point	L: 97.0 a: 0.1 b: 3.0
Storage	Temperature	10-30°C
	Humidity	30-65% RH
Size	Roll (30m length)	1118mm, 1524mm (3" core)
Notes	Samples	A4 and 2m samples available on request.
