

TM407 – Greyback Roll Up Banner 250mic

Product	Description	250micron Matte, white economical composite polyester and vinyl blockout banner with a standard coating that provides both rapid drying and a high degree of image protection. This banner has a slightly textured dark grey back to provide 100% block-out and has excellent no curl characteristics. The anti-reflective matte coating gives a wide colour gamut when used with the inks listed below.
	Compatibility	Solvent, Eco-Solvent, *Latex 3rd generation, Resin and UV Curable inks * Temperature must be kept to a minimum to avoid distorting the media.
