

TM523 – Light Photo Textile 110gsm

Product	Description	A 110gsm matte, finely woven lightweight and durable polyester fabric with ink recep-tive coating that provides both rapid drying and a high degree of image protection. The special-ised water resistant. coating maximises colour saturation and allows higher ink weights to be used giving a bright photographic result.
	Compatibility	Solvent, Eco-Solvent, Latex, Resin and UV Curable inks
Application	Indoor	Use for display hanging banners, roller banner graphics, window blinds, par-ty/promotional tablecloths.
	Outdoor	Suitable for outdoor use
